

Town of Great Falls

Recreation Department

Sponsorship Form

We would like to thank you for your consideration of this request for sponsorship of the Town of Great Falls' Recreation Department. We take pride in our community and are working hard to build a new department for our town to promote growth and a healthier lifestyle for all.

Our Vision is to provide opportunities to the children of our town at early ages and build on the department over the years to create more opportunities to all ages. Our Recreation department is not only teaching children how to play a sport, but also teamwork, leadership, hard work ethic, respect, love, and motivation. The children are our future, and we need to emphasize more focus in this area.

Our Goals: Our first-year goals are to mainly focus on the structure of bringing back a department we lost decades ago and generate new operating procedures that will promote growth. We are starting with Baseball, Basketball, and Football for ages 5-12. The Town Council has approved an initial funding of \$50,000 to get the department back, showing their support of this movement, and we are very thankful for your support in making this opportunity a possibility for long term growth.
